Dear Friends:

A heartfelt thank you for supporting Collier County's seniors and an **update** as we begin 2022.

As Collier County's first senior resource center, we've seen many changes since launching Collier Senior Resources in 2010. We've celebrated opening the Golden Gate Senior Center (2014), plus expanding services and membership to nearly 1,500 seniors and 100+ monthly offerings!

With your support, we continue meeting COVID-19's challenges head-on with virtual offerings and safe in-person services that ensure the health and wellbeing of our senior center family.

Due to COVID concerns, we are **postponing our annual event until November 2022** for the safety of our guests, staff and community. Please stay tuned for further details.

In other news, please join us in thanking Tatiana for her seven-year tenure as she embarks on a new life in Texas and help us welcome **Esther Lully as the new Senior Center Director**. A certified speaker, leadership trainer/coach and behavioral consultant, Esther holds a Master of Science in Management & Leadership from Western Governors University and is passionately serving our community's seniors and caregivers!

Finally, you are among the first to hear that to better reflect our mission, *Collier Senior Resources at the Golden Gate Senior Center* has changed its name to **Collier Senior Center-Golden Gate**.

Quite simply, **Collier Senior Center** more accurately reflects who we are as a 501(c)(3) nonprofit organization--past, present and future--in serving Collier County's older adults and caregivers. While our name has changed, we continue to offer the same wide-range of programs and services for seniors and caregivers.

With the possibility of future locations in Collier County, we've added "Golden Gate" to reflect where services are being offered. Currently, our only location remains the senior center we've created together at 4898 Coronado Parkway, Naples FL 34116.

With change in the air, we look forward to seeing what 2022 holds and celebrating another year of accomplishments with you in November!

Until then, be well and thank you for your continued support.

Jim Barton, Chair
